# HARD WATER SOLUTIONS MADE EASY!

European Technology    Electrolysis Process

Alkara soft water conditioners range employs state-of-the-art electrolysis mechanism to catapult your life out of hard water hassles. Made with unique technology combining 72 different kinds of alloys like gold, silver, copper, brass bronze, aluminum and iron etc, our conditioners never use any kinds of salts or resins to transform hard water into soft water. Alakra Soft Water Conditioners Prevents and Neutralises high levels of Calcium and Magnesium in an eco friendly way providing immaculate soft water to your Residential Commercial and Industrial purposes.

Using our array of world-class conditioners prevents and gradually removes the Lime Scale, stains and corrosion in your plumbing jargon. We use the Principle of Turbulence to breakdown calcium and magnesium into nano particles thereby neutralising the hard water into soft water as given by nature in the first place. Alkara's range is also adept at retaining the useful minerals which helps you stay healthy without the use of electricity and chemicals

-   
No Maintenance
-   
No Water Wastage
-   
No Chemicals
-   
No Electricity
-   
Eco-Friendly

# COMPLETE SOLUTION FOR HARD WATER PROBLEMS

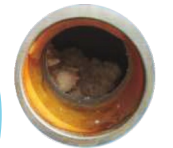

Never let your beautiful home  
fall prey to Hard Water!

Lime scale formation in plumbing pipes and fixtures, geysers boilers, steam rooms, home appliances causes maintenance issues and generates high electricity bills. We can overcome these problems by using Alkara Soft Water Conditioners.

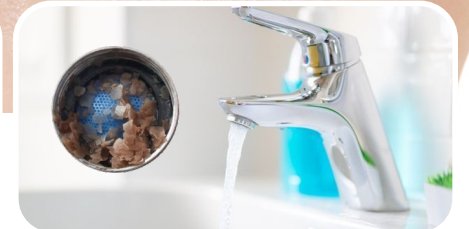

# PREVENTS AND REMOVES LIME SCALE

## SAVES ELECTRICITY

- Faster Water Heating
- Prevent Repairs
- Extends the Life, Reduces Maintenance Costs

Clean and Shiny Tubs and Taps, uninterrupted Water Flow with Better Foam

# THE SECRET OF BEAUTIFUL **SKIN AND LUSTROUS HAIR**

- Protects Skin and Hair from harsh hard Water Problems
- Better Foam, Prevents Hair Dryness, Dandruff, Hair Fall
- Prevents Skin Dryness, Itching, Discolouration

No more lime scale blockages.  
Allows Free flow of water!

# CLEAN! SHINY! EASY LAUNDRY!

Protects cloth quality and colour

Better foam, proper removal of dirt and oil stains

Prevents lime scale extends life

Better Foam

## TAKES CARE OF YOUR RO MEMBRANE FILTERS LIFE

Extends the life of RO membrane.  
Saves electricity, Saves wastage of water  
Decrease the load on motor

# CLEAN! HYGIENE! LUXURY HOSPITALITY

- Clean and hygiene Washrooms
- Clean Laundry
- Stain Free Dish Washing
- Lime Scale free Plumbing Fixtures

Clean and Easy Laundry

Clean and Hygiene  
kitchens

Clean Bath Rooms

Prevents and Removes  
Limescale

# SAY GOOD BYE TO ALL LIME SCALE PROBLEMS!

## LET YOUR HOME APPLIANCES, TAPS AND FAUCETS BE CLEAN AND SHINY!

# HYGIENE SWIMMING POOLS CLEAN! CRYSTAL CLEAR! STAIN FREE!

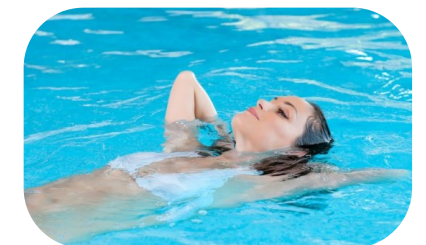

Prevents and Removes  
Limescale

Avoids Maintenance

Prevents Fungus and Smell

Protects swimmers  
skin and hair

# SOLID FOUNDATIONS! STRONG CONSTRUCTIONS!

Solid Pillars

Strong Bricks

Prevents Cracks

Perfect Absorption

Proper Mixing

- ➔ Strong Constructions. Strengthen the Pillars, Walls and Ceilings
- ➔ Wall Absorbs Water Perfectly, Makes Strong, Prevents Cracks
- ➔ Strong Consistency. Perfect Mixing of Cement, Sand and Concrete.
- ➔ Water Makes Bricks Strong without Cracks and Prevents Wastage.
- ➔ Prevents and removes LimeScale, Protects building machinery.

# UNINTERRUPT IDEAL SOLUTION FOR INDUSTRIAL GOALS

- ➔ Prevents and removes lime scale corrosion in boilers and pipes
- ➔ Saves electricity, Extends machinery life
- ➔ Keeps Clean, Properly Removes oil grease and dirt stains, Reduces maintenance costs

## Applications

- Rice Mills
- Spinning Mills
- Power Plants
- Boiler Feed Water
- Heating Systems
- Humidification
- Constructions
- Oil & Gas, RO Plants
- Food Processing
- Pharmaceuticals
- Cooling Towers
- Air Conditioning

# ORGANIC MODERN CULTIVATION METHOD

# EXTENSIVE HARDNESS DIRECTLY IMPACT THE MILK GENERATION

Better Blooming, Water absorbs properly, Balances soil ph levels  
controls diseases, Increase storage capacity, Increase taste  
Fast healthy growth of plants

Boost immunity, Decrease mortality rate  
Improves milk production, Fast healthy growth

Prevents  
Lime Scale

Quality Organic  
Production

Fast Healthy  
Germination

Reduces  
Pesticides Usage

Prevent Lime Scale  
Better Water Flow

Improves  
Milk Production

Healthy Growth

Improves  
Fat Content

Improves  
Feed Conversion

# BEAT YOUR HURDLES WITH PURE WATER

- ➔ Boost Immunity
- ➔ Fast Healthy Organic Growth
- ➔ Prevents diseases
- ➔ Decreases Mortality Rate
- ➔ Improves Feed Conversion Ratio
- ➔ Prevents Smell & Fungus
- ➔ Improves weight and taste

Prevents lime scale blockages  
In pipes and nipple water drippers

Balances Pond pH Level, Increase DO Levels  
Healthy Oxygen Water, Increases Stocking Density

Better Healthy Production

Strong Egg Shell

Uninterrupted Water

Fast Healthy Organic Growth

Clean Pond

Decrease  
Aeration Use

# PERFECT STAIN FREE SPARKLE CLEANING

- ➔ Prevents Stains, Corrosion, Lime Scale  
Mineral deposits cling on car bodies
- ➔ Removes Dirt ,Oil and Greasy stains easily!
- ➔ Perfect cleaning with less soap and water!

## Alkara Heavy Duty Domestic and Commercial Adulteration Filtration Systems

- ➔ Filters Dirt, Sand, Sedimentation  
Dirt Particles
- ➔ Produces Clean Crystal fine Water
- ➔ Reduces Smell and Color
- ➔ Avoids blockages and gives  
uninterrupted free water flow
